RE: RFP 13-006 (Sale or Lease of ICN) Response Deadline Extension

[Senate Joint Resolution \(SJR\) 9](#) was proposed to the legislature to extend the RFP 13-006 Offeror response time to July 31, 2013, as well as all other deadlines associated with the RFP.

It appears that this resolution will not be considered any further as it was not reported out of the House Commerce Committee by April 5, as required by legislative rules. While other legislative action could still be proposed to extend the deadline, potential Offerors are reminded of the following key dates that remain in effect:

- **April 16, 2013** – Deadline for requests for information or clarifications of information to be submitted to the ICN Director of Government Relations, Jontell Harris, at Jontell.Harris@iowa.gov,
- **April 30, 2013 (4:30 p.m.)** – Final date that Resource Room will be available (by appointment only) to potential Offerors.
- **April 30, 2013 (4:30 p.m.)** – Deadline for submitting proposals in response to the RFP.

Potential Offerors must allow ICN 5 business days to compile any information requested to be provided in the Resource Room. More time may be requested by ICN depending on the scope of the request.

The following documents have been made available on the ICNRFP.com website for Offerors regarding RFP 13-006 requirements and information:

- Memo RE: RFP 13-006 (Sale or Lease of ICN) Response Deadline Extension
- RFP Questions and Answers (Will continue to be updated as necessary)
- Resource Room Guidelines
- Memo: Electronic Information
